

ACCELERATE QUALITY

We work with eligible preschools, childcare centers, and family childcare homes in Pima county to increase the number of spaces for preschool-aged children in high quality early care and learning environments. We do this by:

- Supporting programs in achieving a 3-star or higher quality first rating
- Assisting programs in becoming accredited
- Providing financial assistance to expand programs that are accredited, or quality rated.

**United Way of Tucson
and Southern Arizona**

The Benefits:

TO CHILDREN:
readiness for
kindergarten and
beyond!

TO FAMILIES:
access to high quality
programs and
potential financial
assistance.

**TO EARLY
CHILDHOOD
PROGRAMS:**
